

## Budock Vean Golf Club – Post July 19<sup>th</sup> Tee-Time Booking & Playing Guidelines

**Allowable Formats:** All formats are now available within the limits of our standard course playing rules. In particular, there are limits as to when we allow 3 and 4 balls to play to avoid congestion. Please ask at the Golf Shop for further information.

**Course Opening Hours:** The first tee-off time will be at 7.30am & the last at 8pm.

### Pre-Booked Tee-Off Times

- You may only play if you have pre-booked a tee-off time. We are a busy course with more members, so booking remains essential to ensure you avoid disappointment.
- All guests and members must, at all times, display either their guest membership tag or their membership disk & 2021/22 membership sticker on their golf bag.
- All bookings are limited to 18-holes on any one day. This is to ensure that tee-times are shared as equally as possible amongst all our golfers.
- Members may only book tee-times a maximum of one week in advance.
- For guests or members who want to play a second round of 9 or 18-holes on the same day, please call the golf shop for last minute availability.
- Guests are encouraged to book well in advance, prior to arrival, to ensure they get the tee-times they want.
- We are currently not open for “pay-and-play” to members of the public who are not guests or members. This will be reviewed in future to understand what capacity we have for this.

### Considerations Before Leaving Home and Arrival at the Course

- Any members and guests suffering from, or showing symptoms of COVID-19, or who live with someone suffering from or showing symptoms of COVID-19, must self-isolate and stay away from the golf course.
- Members and guests who are vulnerable, or who have underlying health issues, are advised to heed government advice.

### Golf Facilities

- The members’ changing rooms and toilets are open.
- The guest golf locker room is available for guests to keep their clubs in. Please ask at the Golf Shop for a locker key. The golf bag room has lots of sockets for the charging of electric trolleys.
- Clubs, trolleys and buggies are available for hire from the Golf Shop.
- Please note that the hire of clubs is only available to players who have gained the entry level handicap of 54 for women and 36 for men.

### Golf Shop and Bar

- The golf shop and bar are open but some restrictions remain. We kindly encourage all guests and members to continue to wear masks and maintain social distance in all indoors spaces. The shop will continue to operate on a “one in”, “one out” basis due to it being small.
