

Tennis - Safe Playing Procedures

Allowable Formats: All formats are now available.

Court Opening Hours: 8am to 9pm daily.

Pre-Booked Courts:

- You are only allowed to play if you have pre-booked a court.
- There is no requirement for a key as the courts will remain unlocked with the entry gates tied open.
- All bookings are initially limited to one 1-hour court session on any one day. This is to ensure that the courts are shared as equally as possible amongst all our tennis players.
- For guests or members who want to play for longer or who want a second booking in a day, please contact Reception for last minute availability.
- Guests are encouraged to book well in advance, prior to arrival, to ensure they get the court times they want.
- We are currently not open for “pay-and-play” to members of the public who are not guests nor members. This will be reviewed in future after we reopen to understand what capacity we have for this.

Considerations Before Leaving Home & Arrival at the Courts:

- Any members suffering from, or showing symptoms of, COVID-19, or who live with someone suffering from or showing symptoms of COVID-19, must self-isolate & stay away from the tennis courts.
- Members who are vulnerable or who have underlying health issues are advised to heed government advice.

Out on the Courts:

- Please continue to maintain social distance away from others at all times.
- Please use hand sanitizer regularly before, during & after play.

The Members' Changing Rooms Toilets are Open

- The members' changing rooms are available for use by all members.

Enjoying the Hotel

- All members are very welcome to come and enjoy the other facilities of the hotel and to come and join us for food and drink in the lounges, on the terrace or in the Golf Bar. We are encouraging all members and guests to continue to wear face masks and maintain social distance in all indoor areas of the hotel.
